OFFICE OF THE BISHOP

Message from the Bishop

Dear Sisters and Brothers in Jesus Christ,

On Easter day we acclaimed: "Christ is Risen Alleluia. Jesus is Alive!" Now we are in the Season of Easter. In our liturgical calendar, the week after Easter is known as HEVORO week which means white week. In the holy week we commemorate the passion and the death of Jesus. On Easter Sunday we celebrated the Resurrection of Jesus which is the most central theme of faith of Christianity. St. Paul categorically teaches: "...if Christ has not been raised, then our proclamation has been in vain and our faith has been in vain" (1Cor.15:14). The Resurrection of Christ is the model and guarantee the Christians that those who sleep in death will be raised. Resurrection Jesus is the definitive answer to those who are in search of the meaning and the status of life after death. We confess and proclaim daily in our creed: "we believe in the resurrection of the dead and in life eternal. Indeed, resurrection is the final destiny of a true believer in Jesus Christ.

Our proclamation on Easter Day that "Jesus is Alive" is an existential expression of faith. It is an acknowledgement that Jesus lives in my body, mind, and heart. My soul rejoices in the Lord. The spirit of Jesus dwells with the believer and enable to experience the spiritual power. Resurrection was the victory of Jesus over sin and death. It was a liberative and salvific event. It conveys a message of hope to all believers in

this world who experience varied forms of pain, suffering, tribulations and bondages in life. Jesus who heals the sick, forgives sins, raise the dead, provides peace and joy, is alive amidst us. The Risen Lord can break and remove the power of the sealed doors of frustrations, failures, defeats, tragedies, misfortunes in life and lead the believers to total joy, peace, and fulfillment. It is also the revelation that Jesus lives and his grace encompasses in our human society, the world and in the entire creation.

The Risen Lord enkindled and reunited the disappointed and scattered disciples. They were strengthened by his post resurrection apparitions and encounters. Among them the revelation to St. Thomas, the father of faith is very significant. The confession of Thomas that the Risen Lord as “MY LORD and MY GOD” is in fact contains the true faith of the church. It is proclamation of the Lordship of Jesus. “Therefore God has highly exalted him and given him the name which is above every name, that at the name of Jesus every knee should bow, of those in heaven and those on earth, and that every tongue should confess that Jesus is Lord, to the Glory of God the Father” (Phil 2:9-11). The confession of the Lordship of God implies fourfold dimensions of our faith that God is simultaneously our ultimate Creator, Provider, Xavier and Judge. Easter Season invites us to experience these meanings of Resurrection in our personal, familial, social and ecclesial life.
